

SEA SOIL, over the years, has generously been donating and sponsoring to different therapeutic gardens, garden clubs, charitable events, local events and community gardens which grow healthy food for local food banks all over British Columbia and Alberta.

Due to the high volume of donation requests over the last few years all donation applicants such as (and not limited to) non- profit societies; organizations and/or charity groups must complete our downloadable Donation Form at the bottom of this page and email it to donations@seasoil.com, or fax it to 250-729-9967.

We have many requests for donations throughout the year, and we try to make good on every request but some years we receive more requests than we can fulfill. Please re-apply the next year if your application is not accepted.

One pallet of **SEA SOIL** Original (63 bags) will be donated to each approved applicant.

Donation and/or Sponsorship requirements:

1. All applicants must complete the Donation Form to be eligible for a donation and / or sponsorship.
2. Applicants requesting product delivery must have:
 - A contact name, phone number and physical address for delivery of product.
 - Someone at the physical address on the delivery date to accept the donation. We cannot guarantee delivery time on the delivery date as we use a contract shipping company that does many other daily deliveries. Please plan accordingly.

**** There will be no donations delivered between April 1st and July 1st. Please plan accordingly.***

Thank you,

The **SEA SOIL** Family!
